Now reader rave

HEI POA PUR MONOI TAHITI CAPILLAIRE OIL HAIR TREATMENT, £8.75 for 100ml

THE HYPE Nourishes and restores dry and brittle hair.

READER'S VERDICT 'Gave my hair lots of moisture and shine.'

EXPERT'S VERDICT 'Tricky to use and quite time-consuming.'

RESULTS ★★★★★

PHIL'S HAIR OIL TIPS

1 Wear an old headband around your hairline to stop oil running down your face, making your skin greasy.

2 Apply a tiny bit of the oil to the ends of dry hair to seal split ends.

3 Once the oil is applied, wrap your hair in a towel for deeper absorption.

4 If you have fine hair and a dry scalp, only use the product on the root area to avoid the ends becoming limp.
